

ROMANIAN PHILADELPHIA Church

NORTHSIDE ASSEMBLY *of* GOD

REOPENING GUIDELINES

After much prayer and discussion, the church General Board has decided to begin preparations for In-Person Services. We realize there are many emotions and opinions about gathering in-person again. Therefore, we will need to extend much grace to one another through this process.

Please be disciplined and act with wisdom.

Services/Gatherings:

- If you are experiencing any COVID-19 SYMPTOMS please do not attend in-person services/gatherings. Please watch the service online.
 - All Sunday Services will be streamed live and can be accessed from our website (<http://romanianphiladelphia.org/>)
- During the service we will offer seating that will be separated by six feet (2 meters) of empty space and families (household members) are encouraged to sit together.
- Hand sanitizer stations will be provided and can be used as needed.
- Masks are recommended, per CDC, but not required as the law does not mandate them.

Other Precautions:

- Drinking fountains will be turned off.
- Restrooms will be cleaned periodically.
- Greeting Time - please act with wisdom and respect the other people's personal space.

The above Guidelines may be updated and/or removed at any time.

If you are unable to attend for whatever reason, please watch the live streamed service on our website. All services will also be published on our YouTube channel and can be viewed at a later time.

May God Bless, Protect and Watch Over Us All!
